206 Porteous Dr  
New Orleans, LA 70124  
OFFICE: 504-252-3887  
laymanbrothersconstruction@gmail.com

## CAPABILITIES STATEMENT

Layman Brothers, LLC is a verified Service Disabled Veteran-Owned Small Business (SDVOSB) that offers full-service, multi-disciplinary General Contracting with personal connections to vetted subcontractors across many construction disciplines. With a strong focus on realistic scheduling and keeping projects on budget, we can take any project from design-to bid-to build, or act as the overseeing General Contractor. Our project expertise spans many disciplines including: site prep, foundations, masonry, flooring, drywall, electric, plumbing, siding, roofing, HVAC, painting, finish carpentry work, and landscaping, and more.

In operation since 2022 we place a high value on communication, partnership, and integrity. We have a proven track record of delivering successful projects that exceed our clients' expectations. Customer satisfaction is our top priority, and we work closely with our clients to understand their needs and deliver solutions that meet and exceed their expectations. We adhere to strict quality control measures to ensure that all work meets or exceeds industry standards, delivering durable and reliable results.

Our General Contractor served our country as a Corpsmen in Afghanistan. Corpsmen are trained to stay composed and focused in some of the most intense situations, whether it's providing medical care in combat, handling emergencies, or supporting their fellow service members. This ability to remain calm under pressure, and perform at a high level of accuracy in acute situations, is a critical skill that translates directly to the professionalism of our construction work. Additionally, as native New Orleanians, we hold a deep respect for preservation of our historical architecture, while possessing the capabilities to update these properties to insure their longevity for years to come.

## LICENSURE

Residential Contracting Licensure: #889819

Commercial Contracting Licensure: #77844

## CORE COMPETENCIES

- ★ **Comprehensive Construction Services:** Our team specializes in all aspects of construction, including residential and commercial projects of all sizes. From custom homes to office buildings, our expertise delivers exceptional results.
- ★ **Cement Work:** We are experts in cement work, handling everything from small repairs to large-scale installations. Our commitment to quality ensures that every project is completed to the highest standards.
- ★ **Mechanical Services:** Holding a mechanical license, we offer mechanical services such as HVAC installation, plumbing, and electrical work, providing comprehensive solutions for our clients.
